**Students:** One of the goals of our Confirmation program is to help students make connections between having faith (believing in something) and living out that faith in their daily lives. That will be one of the goals of our weekly teaching and small group time. In addition, we ask students to live out their faith in service to our church community. A number of opportunities are offered on the enclosed student portion of the “Called to Serve” form. Students are asked to sign up for at least one opportunity on this page.

(options: acolyte, read, usher, greet, help with hospitality, Lux Aeterna (youth worship band), teach Sunday school, bake communion bread)

**Parents:** Studies show that parents are the primary factor in developing faith in children. The quality of our confirmation ministry requires participation by all parents. We ask parents to partner with us in the faith formation of our students by participating in one of the following opportunities:
