

Summer Youth Mission Trips – 2012

North Dakota

New Orleans Youth Gathering

El Salvador

This Summer, Family of Christ youth and adults will have a life-changing experience.

Middle School students will travel with the Luther Crest Bible Camp staff to North Dakota.

High School Students will gather with Lutheran youth from all over the world to explore the ways God is working in the world, through the theme of *Citizens with the Saints*. Youth will learn more about their faith and social issues, and get to go into the city of New Orleans for some hands-on learning experiences.

High School Students may also travel with adults to El Salvador to enjoy amazing hospitality, participate in a work project, and meet the students sponsored by our congregation members.

To help fund these meaningful experiences, participants are selling **Peace Coffee**. *Peace Coffee's mission* is to make exceptional-tasting, 100% fair-trade organic coffee that sustains the livelihoods of the people who grow, roast, and sell it; preserves and protects the environment that produces it; and delights the taste buds of the people who drink it.

Peace Coffee is certified organic and shade grown, which means there are no chemical inputs, biological diversity is preserved and native rainforests are not cut down for any of the coffee production

For every package of coffee our mission trip participants sell, \$3.00 goes to help fund their trip costs.

Thank you for supporting
Family of Christ mission trips!
